CheckMate™ Online

CheckMate Online allows customers to proof and order software compatible checks on our website. Our **AFFIRM** MICR verification technology takes all the apprehension out of ordering checks online by eliminating the need for MICR Spec sheets, voided samples or calls to the bank for verification.

Configuration Options:

- ✓ Software Compatible Templates - Choose from hundreds of software compatible templates
- ✓ Two security levels available
- ✓ Nine color options including prismatic
- ✓ Background Style - marble or linen security void backgrounds
- ✓ Imprint Information
- ✓ Bank Account Information - Powered by AFFIRM
- ✓ Signature Lines - 1 or 2 with a custom title
- ✓ Order or save as a proof to route for internal/external approval
